Welcome Message

Dear Colleagues,

The Asian Nuclear Fuel Conference (ANFC) is the tri-annual international meeting, which provides an international and academic forum for fundamental aspects of nuclear fuels, with collaborations among Korea Nuclear Society, Atomic Energy Societies of Japan, and China Nuclear Society.

In September 2017, the ANFC 2017 will be held in Jeju Island, which is registered as a UNESCO World Natural Heritage. I look forward to seeing you in Jeju in ANFC 2017.
